

# A Hudson River Trail spanning 51.5 miles in Westchester

**A** Annsville Preserve, Peekskill

**B** Riverfront Green Park, Peekskill

**D** Kings Ferry Road Path along Lake Meahagh, Montrose

**F** RiverWalk at Croton-on-Hudson

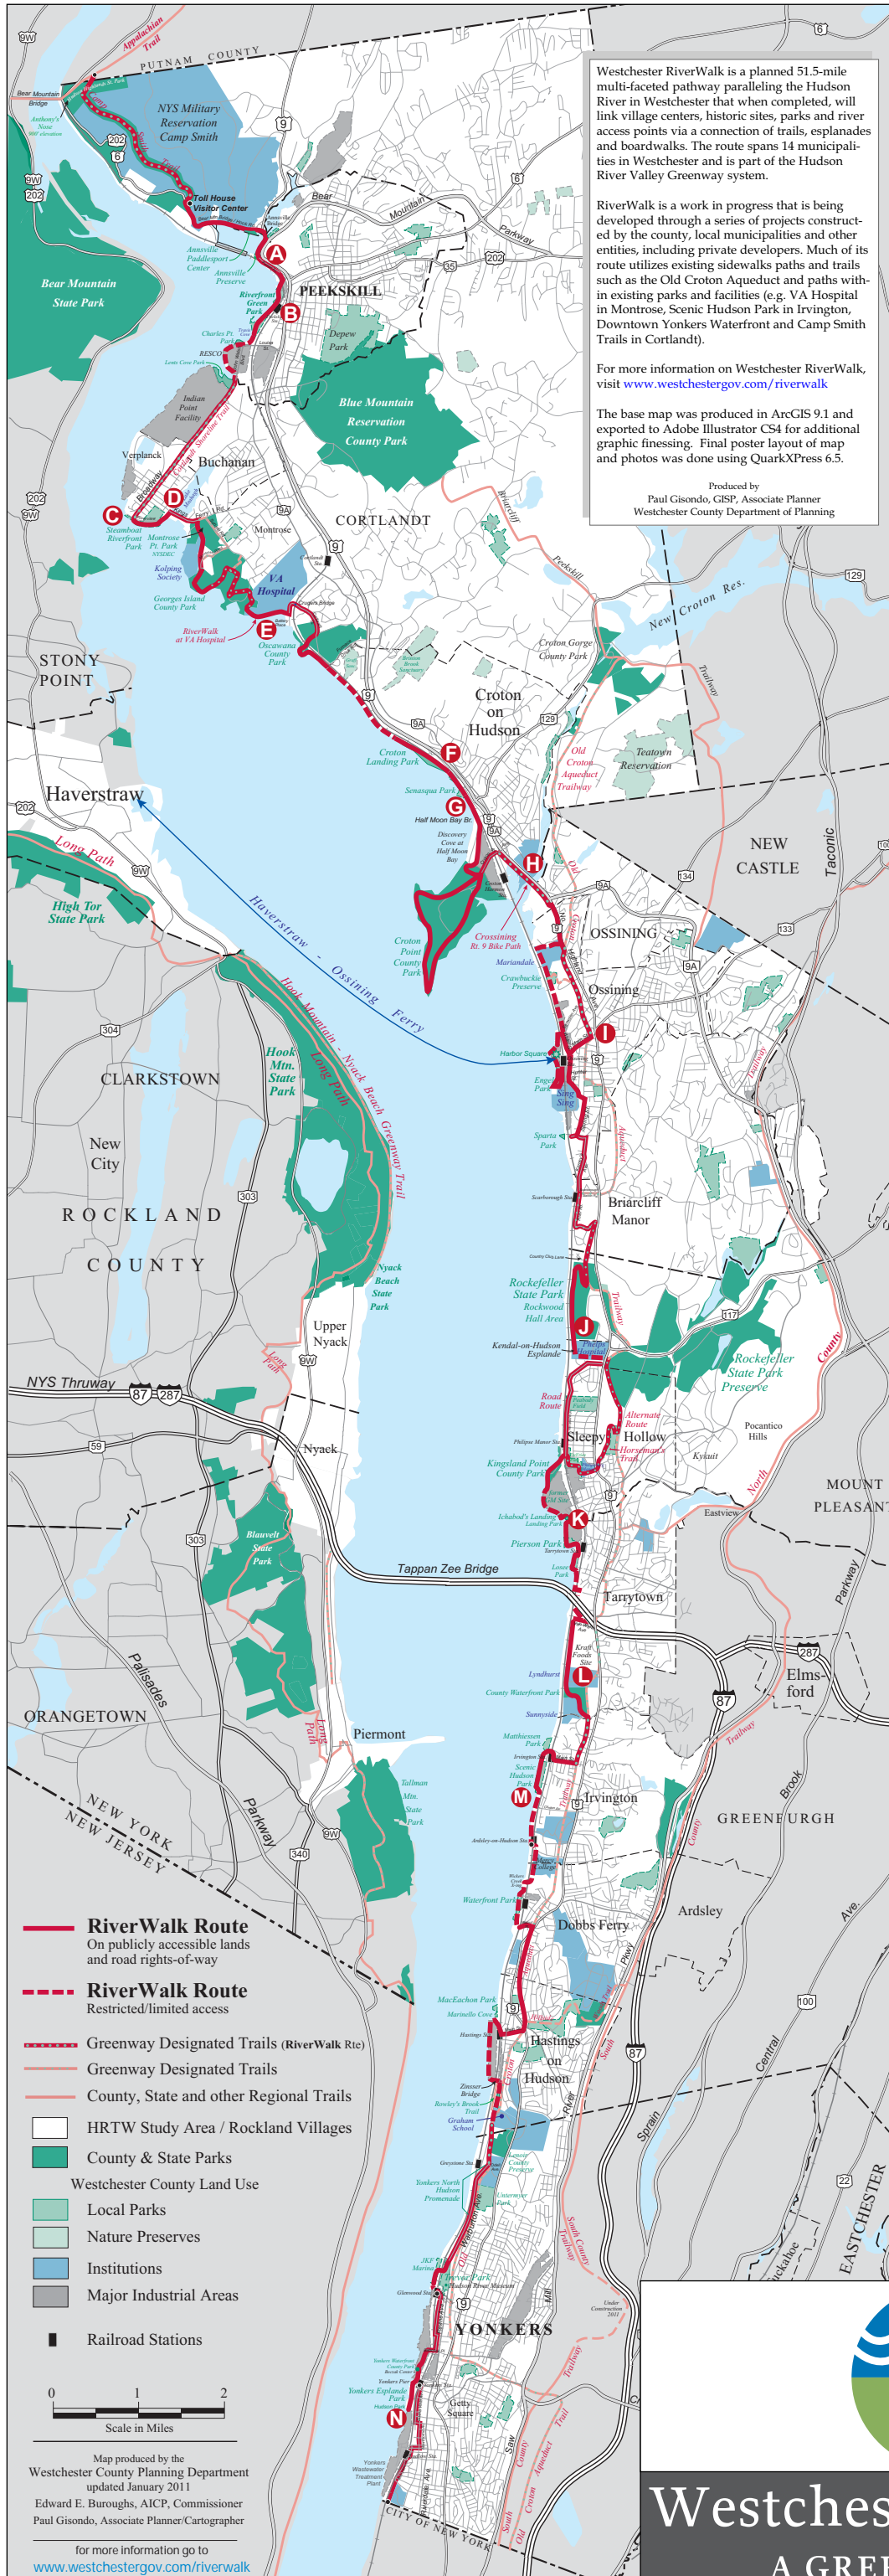

**J** Rockefeller State Park Rockwood Hall area

**K** Ichabod's Landing, Sleepy Hollow

**M** RiverWalk at Scenic Hudson Park Village of Irvington

Westchester RiverWalk is a planned 51.5-mile multi-faceted pathway paralleling the Hudson River in Westchester that when completed, will link village centers, historic sites, parks and river access points via a connection of trails, esplanades and boardwalks. The route spans 14 municipalities in Westchester and is part of the Hudson River Valley Greenway system.

RiverWalk is a work in progress that is being developed through a series of projects constructed by the county, local municipalities and other entities, including private developers. Much of its route utilizes existing sidewalks paths and trails such as the Old Croton Aqueduct and paths within existing parks and facilities (e.g. VA Hospital in Montrose, Scenic Hudson Park in Irvington, Downtown Yonkers Waterfront and Camp Smith Trails in Cortlandt).

For more information on Westchester RiverWalk, visit [www.westchestergov.com/riverwalk](http://www.westchestergov.com/riverwalk)

The base map was produced in ArcGIS 9.1 and exported to Adobe Illustrator CS4 for additional graphic finishing. Final poster layout of map and photos was done using QuarkXPress 6.5.
